UNI-LEVEL PLAN –
CADRE REMUNERATION & PERFORMANCE REWARDS

MATCHING COMPENSATION BONUS (WEEKLY): 20%

This Bonus will be applicable for the pay group and the rest of the Business volume will be carried forward for next week Payout. Matching Bonus Distributed weekly as the following calculation.

Left 500BV : Right 500BV = 1 Matching Point

500BV → 500BV → 500BV

Company-wide Pool Calculation

- Company's Total turnover 109200 BV (assumption)
- Total BV 1092000 in a week X 20% = Rs. 218400 (Total Bonus Pool)
- Matching Bonus Value = Rs. 218400 ÷ Total Matching Unit
- Total Matching Unit = 6552 (assumption)
- Matching Per Unit : Rs 33.33

Sample Payout for "You"

- Your Business Volume : Left side – 66000
  Right side – 43200
- Your Total Matching BV = 43200 BV (lesser leg)
- Your Total Matching Unit = 43000 ÷ 500 BV = 86 Unit
  (Max multiple of 500 matched)
- Left Side Carry Forward = 66000 – 43200 = 22800 BV
  (Stronger Side Excess)
- 200 BV of right side will be flash out (Weaker Side Excess - lost)
- Your Matching Bonus Income = 86 X 33.33 = Rs. 2866.38

self-purchase minimum 500BV on Distributor price

4 DIRECTOR ACTIVE BONUS (20% MONTHLY POOL)

Point System

2500:2500 BV = 1 point

Formulas for Calculation

$$\text{1 Point Value} = \frac{\text{C.T.O.} \times 20\%}{\text{Total collected Points}}$$

Active Bonus = point × Point Value

For example

CTO	= 10000000
20% of CTO	= 20001000
Total collected points	= 800
1 Point Value	= 2500

2000000 ÷ 800 → 2500

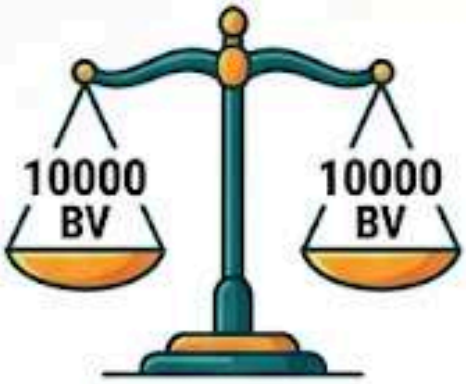

QUALIFICATION

self-purchase minimum 1000BV on Distributor price.

5 SILVER DIRECTOR BONUS
(10% MONTHLY POOL)

BONUS QUALIFICATION & FORMULAS

POINT QUALIFICATION

10000:10000 BV= 1 point

FORMULAS FOR CALCULATION

1 POINT VALUE =
C.T.O.×10%/Total collected Points

DIRECTOR BONUS =
= point×Point Value

ILLUSTRATIVE EXAMPLE

CTO =
10,000,000
Company Turnover

10% of CTO =
= 1,000,000

Total collected points =
= 100

1 Point value =
1,000,000÷100
= 10,000
